

Decans - *Tratado de astrología e magia di Alfonso X el Sabio*

Vatican, BAV, Reg. lat. 1283a

I ... rises a young maiden comes up dressed in a mantle and old clothes, she has one hand that is hanging and holds it with the other, and she stands in the middle of a place where beautiful bushes of myrtle can be found, and she wants to have the houses and lands of her father and his friends in order to obtain clothes and necklaces.

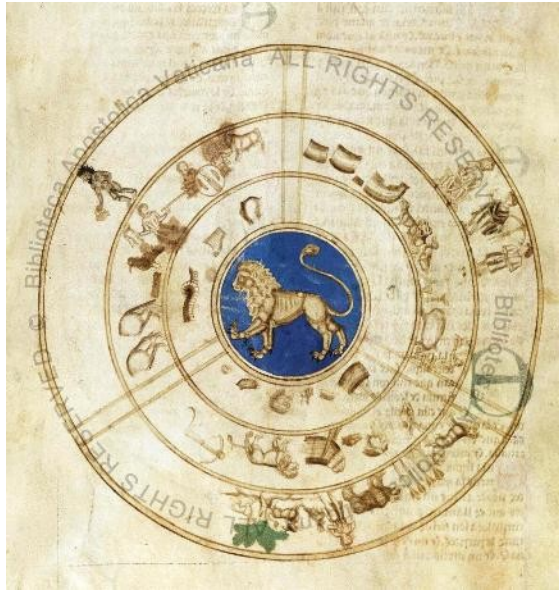

II ... rises a black man comes up with hair growing all over his body, and he is dressed in three cloths: one of them of leather, the other of silk, and the third is a red mantle; and he has a portable writing desk in his hands and wants to calculate his expenses and increase his assets.

III ... rises a beautiful woman, with white skin and with a large build; and she is deaf and she is dressed in a dyed and washed mantle; and she has never got sick, and she wants to go to the houses of prayer to pray in them.
